FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 31 MARCH 2018

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

MANAGEMENT DISCUSSION AND ANALYSIS

Business Review

As at 31 March 2018, the Group's existing property management portfolio comprises 26 public housing estates, 2 Home Ownership Scheme (“HOS”) estates awarded by the Hong Kong Housing Authority (“HA”), and 2, 2 and 1 standalone service contracts awarded by the HA, CEDD and the URA, respectively.

The Company has successfully listed its shares on GEM of the Stock Exchange on 10 November 2017 (the “Listing”), which enhanced the Group's capital strength for future plans. Going forward, the Directors and the management will continue to devote their best efforts to the future plans as stated in the Prospectus. From time to time, the Directors will seek for business opportunities to increase the Group's revenue and to control the Group's overall costs to an acceptable and satisfactory level to increase shareholders' returns.

Financial Review

Revenue

The revenue from the provision of property management services has increased from approximately HK\$90.3 million for the period ended 31 March 2017 to approximately HK\$91.6 million for the period ended 31 March 2018. This increase was attributable to (i) the additional service fee income from the two HOS estates awarded by the HA, a new standalone security service contract awarded by the URA and two new service and maintenance contracts awarded by the CEDD after the first quarter of 2017; (ii) the upward adjustment on service fee for some of the Group's existing contracts in accordance with the adjustment mechanism as stipulated in those contracts; and (iii) the increase in project management fees from the provision of project management services, with independent external contractors to carry out repairs and maintenance on building works in the estates managed by the Group.

Employee benefits expenses

The total employee benefits expenses amounted to approximately HK\$85.6 million and HK\$84.4 million for the periods ended 31 March 2018 and 2017, respectively. The increase was mainly attributable to (i) the salaries and wages paid to our additional staff employed for the two HOS estates which we commenced to provide services in May and June 2017; (ii) salary increment; and (iii) directors' fee paid to the additional directors.

The staff level remained stable for the two periods ended 31 March 2017 and 2018.

Cleaning material costs

The cleaning material costs increased from approximately HK\$1.0 million for the period ended 31 March 2017 to approximately HK\$1.2 million for the period ended 31 March 2018. This slight increase was mainly attributable to the increase in the number of estates under our management.

Other operating expenses

The other operating expenses mainly comprised insurance expense, office supplies expense, security charges for specialist guard company to escort money in transit, guarantee fee for performance bonds, entertainment, travelling expense, insurance expense and estate maintenance expense.

The other operating expenses amounted to approximately HK\$2.7 million and HK\$2.1 million for the periods ended 31 March 2018 and 2017, respectively. The increase in other operating expenses was mainly attributable to (i) increase in office rental; (ii) increase in auditor's remuneration and various compliance costs; and (iii) increase in photocopying, office supply, uniform and laundry.

Profit for the period

The slight decrease in profit for the period from approximately HK\$1.2 million for the period ended 31 March 2017 to approximately HK\$1.0 million for the period ended 31 March 2018 was mainly attributable to the increase in various compliance costs as a result of the Listing.

Outlook

The property market in Hong Kong has been growing. It is envisaged that the growth of public housing property management services business will expand simultaneously with the development of public housing market in Hong Kong. The Directors are optimistic that the Group will continue to increase its market share after the Listing and believe that the said opportunities will benefit the Group's business.
